

## **INSTRUCTIONS**

This Secret Rescue Mission makes a good activity for a pack holiday, a special pack night, or a interesting day activity.

It takes between 1 ½ and 2hrs and works best when the youth are divided into sixes with varying skill and age levels.

Read through the list of tasks and gather items you may need (like a street directory) in a central area with the leaders who judge the tasks, make payments and handle the “selling” of the Rescue Helicopter parts.

Cut up the illustration of the helicopter into jigsaw pieces and mount them on cardboard.

Play “Money” can be found in toy departments, or use some from an old board game.

## Secret Rescue Mission

Some of your pack have been stranded in the middle of a secret mission. Your group has to obtain the plans for a Sea King Rescue Helicopter, put together the parts and rescue your friends. To get the necessary parts you must complete the following tasks, for which you will receive payment.

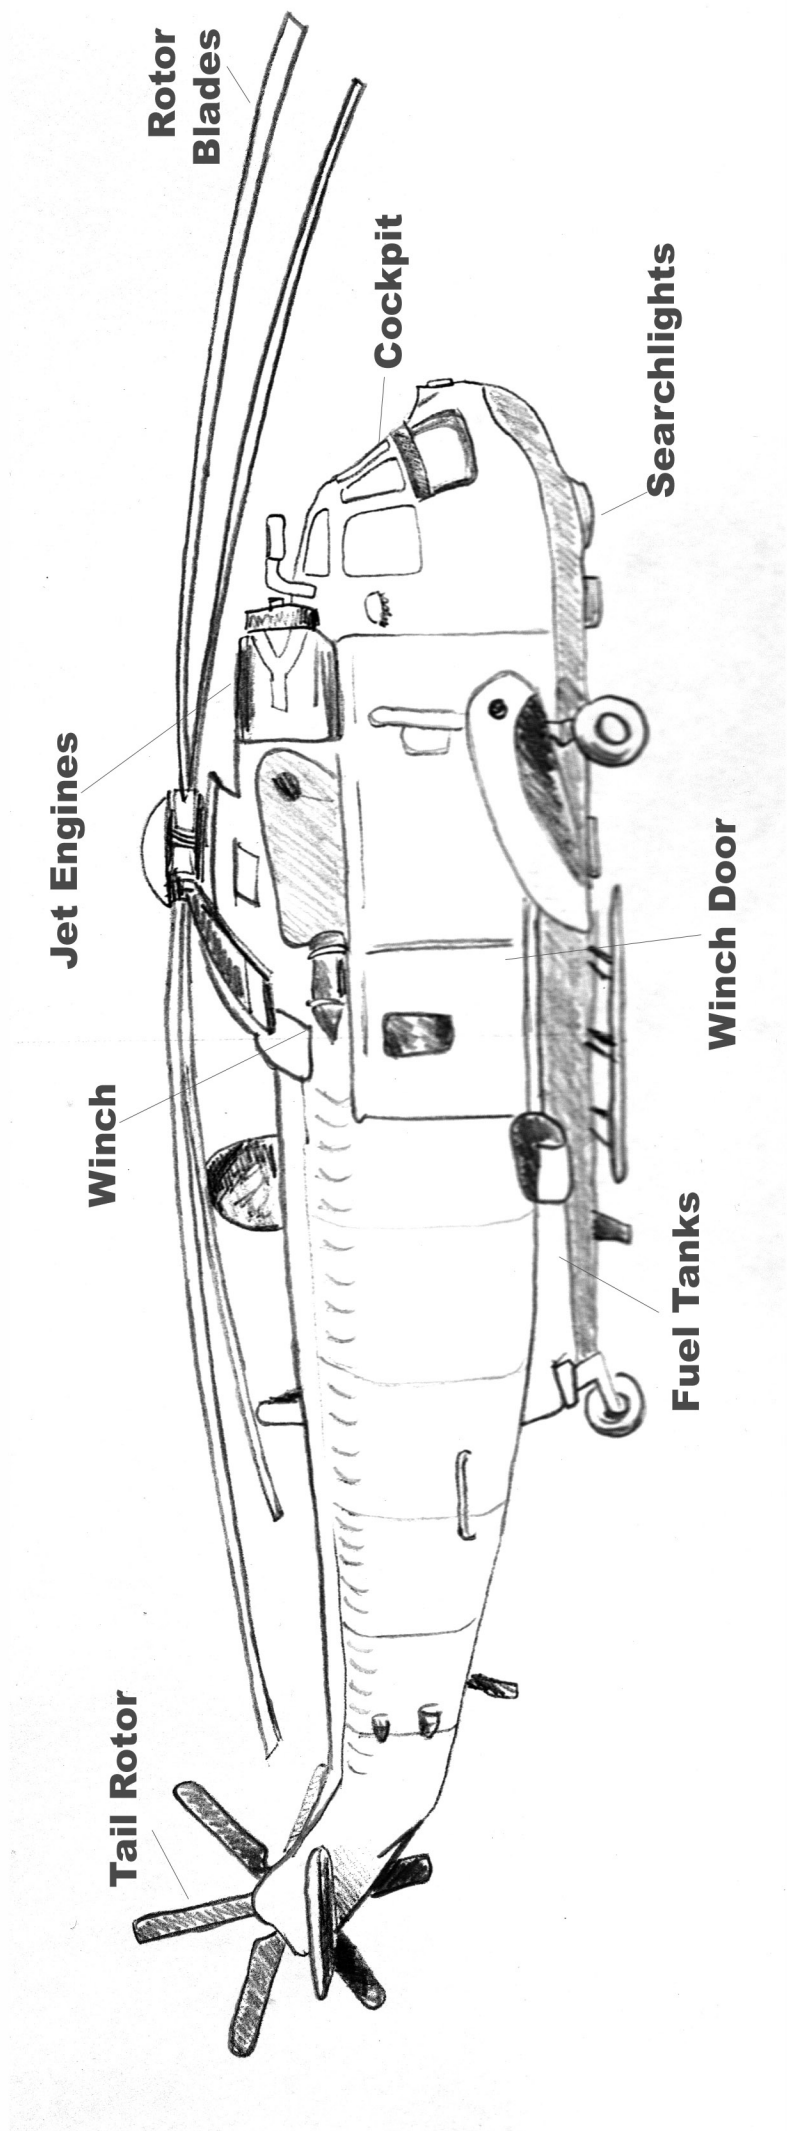

The total cost to be paid to your informant is \$8000.

Each task must be completed only once by your group.

- \$500 Draw a paper person, cut it out and rescue him from the bottom of a cliff using a bowline.
- \$300 Make a paper aeroplane that flies
- \$500 Make 2 mobile phones and pass a message with numbers and names through 2 people and back to the leader.
- \$500 Wrap a parcel, tie it with a reef knot and address it to Mum.
- \$200 Look up Farm Way, Harris Park and find it on the map.
- \$200 Using your scarf make a sling
- \$300 One of your group has burned themselves. Show how to treat this.
- \$500 Cut out and label contents of a simple first aid kit.
- \$500 Build a village using the following mapping landmarks.  
(Hill, bridge, road, river, police station, buildings)
- \$400 Draw a picture of an animal while holding the pencil with your toes.
- \$400 Write your full name holding the pencil in your non-writing hand.
- \$200 Using the others in your group as obstacles, dribble a soccer ball around them.
- \$200 Skip 15 times
- \$400 Make a plasticine model of a Jungle animal and tell a story that includes it.
- \$400 Make a collection of 6 different leaves or rocks and try to name them.
- \$400 Build and light a fire using only 2 matches.
- \$500 Make up a coded message about what you had for breakfast.
- \$500 Make an Australian Flag and hoist it, using a sheetbend.
- \$400 Out of newspaper tear the shape of an animal who has had its habitat damaged.
- \$200 Take a leader for a walk and explain the road rules.
- \$500 Make some musical instruments and as a group perform a song.
- \$300 Sew on a button.
- \$300 Draw or make a compass, and find north.
- \$600 Make and decorate a poster with the Cub Scout Law and Promise.

The parts for your Sea King will cost the following:

Tail Rotor .....	\$700
